RESPONSE TO EXAMINER'S REQUEST FOR SEQUENCE LISTING COPY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Examiner's telephone call of May 30, 2006 informing us that the sequence listing we submitted along with the Amendment filed in the U.S.P.T.O. on May 19, 2006 has been subsequently lost by the U.S.P.T.O., enclosed herewith is a copy of the sequence listing as previously filed on May 19, 2006, including both a compact disk and printout of the sequence listing. A sequence listing statement corresponding to the instant compact disk and printout is also included herewith. We are also enclosing a copy of the May 19, 2006 return receipt postcard bearing the U.S.P.T.O. date stamp (annexed as Exhibit 1) and a copy of the sequence listing statement submitted on May 19, 2006 (annexed as Exhibit 2). The date-stamped return receipt postcard indicates the CD bearing the sequence listing, paper copy of the sequence listing and sequence listing statement pursuant to 37 C.F.R. §1.821(f) was received by the U.S.P.T.O.

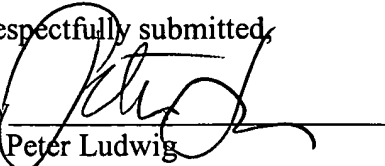

It is believed that no fee is required for these submissions. Should the U.S. Patent and Trademark Office determine that any additional fee is due or that any refund is owed for this

application, the Commissioner is hereby authorized and requested to charge all required fees and/or credit all refunds to our Deposit Account No. 04-0100.

In view of the above amendments and arguments, Applicants believe the pending application is in condition for allowance.
